We would appreciate learning more about you your desire to enroll in the Equine Clarity Facilitated Learning & Coaching Certification! Prior experience is not required – we look forward to working with all levels based on your interest to experience this training. This application will capture experiences you may have in the competencies outlined in the course.

An informal interview is a requirement prior to entering the certification.

Please complete the following information and email back to our office at [susan@thecoachingroom.com](mailto:susan@thecoachingroom.com)

***Core Competencies:***

**1. Human Interactions**

a). Please describe your experiences in working 1:1 or in groups with people. This may include your own personal experiences and/or educational/work/training/certification experiences.

b). Please indicate your own personal level of growth. This may include coaching, therapy, group involvement, energy work, etc.

## **2. Equine Development**

a). If you have experiences with horses, please describe, in depth what they have been or currently are.

b). If you do not have experiences with horses, what is it about this training that is calling you toward it?

## **3. Body Awareness & Intuition**

*We know that the relationship between mind, body & heart affects our overall health in that we carry so much of our emotional mental stress through our physical bodies.*

*Awareness toward this impact on ourselves and others is key in working with humans and horses.*

a). Please describe your personal level of awareness with stress, your physical body and emotional health.

b). Please indicate healing modalities/experiences you have used to assist your own healing path.

c). How would you describe your spiritual beliefs?

**4. Group/individual Coaching/Facilitation**

a). What experience do you have in presenting to or facilitating groups of people?

b). What training have you had in facilitating workshops?

c). Please indicate any formal training you may have in working with individuals 1:1.

d). If you do not have formal training, what interests you about this?

Please share what interests you about this very specialized certification program and how you see it working on your life path.
